

2016 RHS Marching Gators

MARCH-A-THON

With the beginning of marching band season, we also start our annual March-A-Thon. The last few years have been very successful, with marching band members raising more than \$16,000 over the last few seasons!

Students from each section will be given pedometers to measure how far they marched each day, and students will use their section's mileage on their pledge forms to determine the amount of money to collect. Last year, marching band members marched between around 65 miles!

Our goal this year is for each Marching Gator to secure a minimum of 10 pledges (based on the number of miles marched), or a total of \$50.00 dollars in flat donations. Each student is expected to fully participate. Sections that don't march, like the pit, will use the band's overall mileage on their pledge sheets.

Checks: Checks should be make payable to: RHS Music Boosters

Due Date: Pledge forms will be due on August 17, 2016
All Money will be due on September 8, 2016

Prizes will be available to the student and sections that raise the most money. If you have the most money pledged by Wednesday, August 17, you will get to switch places with Mr. Bacon for 15 minutes during rehearsal. He will march your dot in the show, and you will run the rehearsal.

Additional forms can be found on our website: <http://rhsmusic.wikispaces.com>

For more information or questions, please contact Mr. Bacon in the music office.
